

SILTEC

SILIBRIL

Siliconized polish with orange smell

THE PROFESSIONAL RANGE

DESCRIPTION

Thanks to its antistatic action, **SILIBRIL** works as a dust repellant on the treated surfaces. **SILIBRIL** slightly deodorizes the inside of your car.

WHERE TO USE

Cleans and shines all plastic and rubber surfaces.
Gives your dashboard its original shiny luster.

INSTRUCTIONS

Spray at about 20 cm away from the surface to be cleaned.
Let it dry a few seconds.
Polish with a soft and dry cloth.
Shines instantly.

PRECAUTIONS

Product for professional use. Consult MSDS (Upon request only).

The details contained in our instructions, letters and reports are for information purposes only, based on research trials and are true to the best of our knowledge. We do not claim any liability for their contents.

PACKAGING
